

The logo for 'Simplay' features a large, stylized letter 'S' in a dark teal color. The 'S' is designed with two curved arrows: one at the top pointing right and one at the bottom pointing left, suggesting a cycle or a continuous process. To the right of the 'S', the word 'implay' is written in a bold, sans-serif font, also in the same dark teal color. The entire logo is centered on a light gray background.
